FOUNDERS NIGHT

Thirteen of our fellow Gyros joined 55 members from Crossroads and Sherwood Park at the Regency Hotel on October 14 for an evening filled with food, fellowship and laughter. Keith Bradley brought greetings on behalf of District VIII while Don Greig, John Craig, Red Laychuk and Jack Agnew related personal experiences which exemplified our fraternity of friendship. We thank Brian Dunnigan and the Crossroads Club for this fun evening.

SICK AND VISITING

We understand that Murray Pawling will be entering St. Joseph's Hospital for two weeks in the near future. We'll update you when we hear.

THIS WEEK (20)

1. Roger Russell spoke on his very interesting three week tour of China and Hong Kong.
2. Al McLure reported on his visit to the Lethbridge Gyro Club's Founders Night which featured our Gord Rennie as the feature attraction.
3. The Believe it or Not Department: Allan Douglas won the draw again (3rd time) and this time donated \$11.25 towards the next meetings' draw.

THE LAST WORD

Now-a-days, the difference between failure and success is doing a thing nearly right and doing a thing exactly right.
