"A life spent in making mistakes is not only more honorable but more useful than a life spent doing nothing." -- G.B.S.

## SICK AND VISITING

1. Garnet Nelson is up and around now and is feeling much better.
2. Dave Duchak underwent surgery recently at the University Hospital. He is reported as making good progress.
3. Jack Agnew was operated on recently at the Royal Alexandra Hospital. He has made a splendid recovery and will be home soon.
4. Bill Muir celebrated his 60th Wedding Anniversary on June 6 in hospital. He is now reported progressing favorably.
5. Greta Stanley has been under her doctor's care. We trust that she is now making a satisfactory recovery.
6. Hugh Millar was recently admitted to the Youville Memorial Hospital. His good wife, Rose, knowing he was under excellent care, was able to take her first holiday in several years. We trust they are both enjoying this temporary arrangement.

REQUIEM

Al Lee, a long time member of Gyro, passed away on Monday, July 4, 1983. Recently retired, after a long period of service as proprietor and manager of A.J. Lee Agencies, Al spent the past winter in Yuma, Arizona, where he was stricken with cardiac problems. On his return he appeared to be on the road to recovery and was able to attend the meeting of June 21 at which time he seemed his usual self. But it was not to be.

Al was a friendly outgoing personality who exemplified the true spirit of Gyro fellowship. He was a loyal and active member, and took part, along with Jean, in the various Gyro social and sports functions.

(over)

Al will be sorely missed by a wide circle of friends and acquaintances. This was certainly indicated by the large gathering who paid their last respects on Thursday, July 7, 1983.

Our sincere and deep sympathy goes out to Jean and the family.

THIS WEEK (26)

President Ken Burnett called for a short period of silence to honor our late member, Al Lee.

It was unanimously agreed that the Edmonton Gyro Club make a contribution to the International Gyro Memorial Fund in memory of Al.

Mort Morter won the draw.

Now with the recent weather providing ideal conditions for the propagation of the insect population and no effective means having been used to control the pesky critters, we should be reminded of the unique method told by Bob Edwards in one of his stories.

A bull in a field grazing peacefully ate a buttercup containing a bee. While the bee was in the bull's mouth it thought, "I'll sting him on the tongue." But it decided on the spur of the moment to wait until it arrived in the stomach. There it was cosy and warm, and the bee promptly fell asleep. When it awoke the bull was gone.

And at this point the writer will leave.
