

THE GYRO CLUB OF EDMONTON — EDMONTON — ALBERTA

13 November 1990

OUR LAST MEETING was held on 6 November, same time, same place, where we were pleased to welcome three guests; Russ Sheppard, Ian McIntyre and Ian Fraser, who were introduced by John Ross, Merrill Morstad and Mike Matei, respectively. Good news, Mike's friend Ian Fraser who has been with us on several occasions, has made application for Gyro membership.

The meeting was chaired by President (PYS) Roger Russell, whose "luncheon interruptus" attempts to get our attention, met with the usual results. However he did call for several reports, the results of which should appear somewhere in this 'log. Roger welcomed back two travellers Andy Friderichsen and Garry Diment, who had just returned from a cruise, which they described as outstanding.

our guest speaker last meeting, who was introduced by Kon Ewoniak, was Mr. James Wark, Senior Editor of the CBC Radio News Edmonton; who provide 7 newscasts per day plus nine updates, all of which are heard across Canada.

From his talk, it seems that with so many controversial subjects to be aired, newscasting is not the easiest of tasks. Getting the facts about local, national and world affairs, the wording used and the points of view expressed are most vital; all of which should be correct and properly balanced.

In the question period that followed Mr. Wark's talk, several thoughts and observations, led by Dan Lawton, were expressed concerning the context of certain situations and the "other" side of the story", certainly provided food for thought.

The thanks of our members and guests were nicely expressed by Marty Larson to Mr. Wark for his time and presentation.

Past President (1988) David Burnett ended the meeting with two great stories, one about zebras and the other vampires(bud light!). Just to print them here wouldn't provide the impact required, you have to hear Dave tell them. If he had told those kind of stories when he was President, instead of digging into the "corn crib" — he might still be our Prexey!

<u>CASH DRAW</u> — the good news is that Boyd Slavik's name was drawn — the bad news — unfortunately he wasn't there to collect.

BIRTHDAYS — President Roger announced that Martin L. Larson(Marty, if you're in the know!) will be celebrating another milestone on November 14th. Just 4 days later, one of our new members, Garry Diment, will add another candle on his birthday cake. Have a great day guys — we wish you many more!

HEALTH & WELFARE - Bert Boren reported that Jenny Diment had been in hospital after getting home from acruise, however she is home now and doing well. We are glad to know that Amy Wilson is home from hospital and recovering - albeit slowly.

GYRO EXPANSION — our ever busy Second Int'l V/President Marty Larson, was recently in Prince Albert, Sask., helping to try and establish a new Gyro Club. A further meeting was held on 6 November. Marty would like to know if any of our club members have any family relations or other friends or acquaintances living in Prince Albert, whom you think might be interested in becoming a mamber of Gyro. If you do know of anyone, please call Marty at 434-9692. Marty also reports that some groundwork is being done in both Scotsdale and Sun City towards the formation and organization of Gyro in those locations. Reminds one of our present slogan "Gyro 55 -95". Go get 'em boys!

CURL-A-RAMA - Mike Matei reported that the following will be going to Banff on 30 Nov(1-2 Dec)-Merrill Morstad: Larry Dobson: Dave Burnett: Allan Douglas: Ed Edlund: John Ross: Jack Ellis: Allan Ursulak: Al McClure: Ernie Siegel: Ian Fraser(Mike's guest) Gord Rennie & possibly John Pedden. If everyone shows up as promised we will have 3 rinks, plus a couple of "gofers" See you at the Timberline on Friday November 30th.

ANNUAL CHRISTMAS PARTY - John Ross announced that our Christmas Party will be held on 8 December at the Faculty Club. Details later, however we will witness the official induction of our two new Gyros, Garry Diment and Gerry Glassford, into our club.

ADVANCE PLANNING — Merrill is making arrangements for a Ski week—end at Jasper, Alberta for April 5 — 7 1991. Planes mark your calendar NOW and let Merrill know you plan on being , there. Watch for further information in future issues of the Gyrolog.

TRI-CLUB INSTALLATION - will be held on Saturday 11 May 1991. Mark that date as soon as you have a 1991 calendar. Details to follow later.

SMILES & CHUCKLES - A Russian went to an official Russian Agency, paid his money and was told that-his-new automobile-would be delivered in exactly ten years.—— "Morning or afternoon" the purchaser asked. "Ten years from now", the clerk replied, "what difference does it make?". "Well" said the car buyer, "the plumber is coming in the morning". this story was "borrowed" from my good friend Bob Rowan - Editor of the Gyroper, from Stampede (City.).

The President of a large corporation was a very difficult man at best. One day he angrily called a meeting of his top-of-the-line executives. "You people have got to get moving. There's obviously a bottleneck somewhere in this firm, and I want it removed NOW! is that •understood?".

As the executives were leaving the President's office, one of them whispered to another, "You know, one thing about bottles — the neck is always at the top".

VOX POP - It's nice to be important, but it's more important to be nice. (Mort Morter) When it comes to giving, some people stop at nothing. (Bryce Van Dusen)

∤ If you make a mistake, be big enough to admit it, smart enough to profit from it, and strong enough to correct it. (Barry Walker)

 $_{ ilde{r}}$ Fig. you want your dreams to come true, don't spend too much time sleeping. (Allan Ursulak)

Carning money would be a pleasure if it wasn't so taxing!(Neil Sheidow)
